Troubadour (TOTL 106) Charlie Petrea

OPENER

Four Ladies Chain, over and back
I still feel 25, most of the time.
Left Allemande and then, Do-si-do
Left Allemande, Weave The Ring
I was a young troubadour
Swing and Promenade
I'll be an old troubadour
When I'm gone

FIGURE

Heads Promenade halfway
Walk in Square Thru to four
All the way and then, Swing Thru my friend
Boy you run and a Ferris Wheel
Square Thru Three hands around and go
Swing and Promenade
I'll be an old troubadour
When I'm gone

MIDDLE BREAK

Four Ladies Promenade one time
Back home, swing your man
Join hands, Circle to the left and go
Left Allemande, Weave The Ring
I was a young troubadour
Swing and Promenade
I'll be an old troubadour
When I'm gone

CLOSER

Grand Square
I still feel 25
Most of the time
I still raise a little cain with the boys
Allemande Left, Weave The Ring
Honky tonk and pretty woman
Lord I'm still right there with them
Singing above the crowd and the noise

TAG

Four Ladies Chain over and back
I'll be an old troubadour, when I'm gone
